*tempered glass, 2 years guarantee

A complete range of glass ovenware, bakeware and prepware, developed with the best selling shapes in mind

ARC International Cookware SAS,
 10 Allée des Cascades
 BP 68189 – Paris Nord II
 95974 Roissy CDG – France

AC03/GB/PT09

The range offers consumers reliable cookware products at competitive prices for a European cookware brand. The brand Arcuisine is well known in the trade and is associated with trustworthy and functional products.

From roasters and casseroles to baking dishes, Arcuisine provides reliable quality products that withstand heat from -40°C up to +300°C.

Made from Borosilicate glass, Arcuisine's range of cookware and bakeware can sustain high thermal and mechanical shocks.

Glass is a great hygienic material that makes it perfect for healthy cooking and eating.

Besides being oven, fridge and freezer proof, Arcuisine glass cookware and bakeware products can also be used in the microwave oven and dishwasher.
